

MORCHARD BISHOP PRE-SCHOOL

Newsletter - Summer Term

2017

www.morchardbishoppreschool.org.uk

A NEW TERM

Welcome back to a brand new term and we hope you didn't eat too many Easter Eggs.

On **Wednesday 10th May** we will be taking part in the Peppa Pig Muddy Puddle Walk for Save The Children. We will set off for the park over the fields and then back to Pre-School in time for lunch.

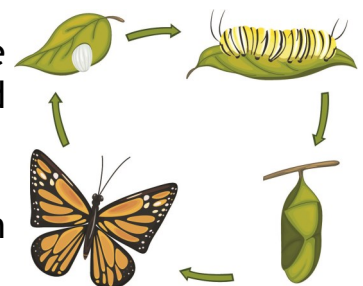

Hopefully, it will be fine but if you can remember wellies, raincoats or overalls, sun cream and sunhats we should have all bases covered.

Sponsorship forms are available or you can simply pop some money into the fundraising box which we will make available.

TOPIC

Our topic this term is life cycles. This will include the life cycle of butterflies and birds then other baby animals and of course the human lifecycle.

We are also planting flowers and vegetables and keeping an eye on the produce in our vegetable garden.

MORCHARD BISHOP FLOWER FESTIVAL

Pre-School will be entering an arrangement in the bi-annual Morchard Bishop Flower Festival on the 16th -17th June.

The theme this year is Countries and we are doing India! So, watch out for some strange requests as we assemble our props.

REMINDERS

Invoices have been raised with DCC. Please remember to pay the summer term invoice direct to Devon County and not to the school office.

As the Summer approaches please remember to bring in sun cream and sun hats for your child.

Also there have been some incidences of head lice so please check your child's hair regularly and treat as necessary.
